- Coordinate and support job fairs and industry events
- Research and procure promotional items
- Support social media and website content creation, publishing and management
- Support and coordinate the production and assembly of proposals and other documents, including helping gather information, ensuring compliance, proofreading, editing, formatting and adjusting layout to deliver a professional end product
- Create and maintain marketing assets such as project profiles and personnel resumes
- Create and update forms and documents using Word, Adobe and Microsoft Forms
- Create and/or edit graphic documents for both online and print formats
- Assist with employee onboarding and related tasks
- Maintain corporate filing and recordkeeping
- Other administrative duties as required, including backup reception coverage

Experience and Qualifications:

- 2+ years recent experience in office administration or marketing is required
- Post-secondary training and education in office administration is an asset
- Strong computer skills in a Windows environment with a high proficiency in Office 365 (Outlook, Word, Excel, PowerPoint and Teams) is required
- Experience in Canva and/or the Adobe suite is an asset
- Strong knowledge of social media platforms is an asset
- Solid knowledge of online cloud-based file management, specifically Sharepoint Online, is an asset
- A valid drivers' license is required

Skills and Attributes

- Excellent written and spoken communication skills
- Ability to work effectively under pressure, meet deadlines and effectively handle multiple tasks
- Self-motivated and solution-oriented with a high degree of accountability and a can-do attitude
- Comfortable working with a variety of personalities
